MODEL

FC 550 UF

Code	795767
Temperature	Cold - Hot - Room temperature
Type of treatment	Ultrafiltration
Water cold temperature	4 - 12°C
Cooling capacity	1,25 l/min
Temperature control	Thermostat
Water cold tank capacity	0,9 Litres
Water cold tank material	Stainless Steel AISI 304
Compressor	90W
Cooling gas	R - 134a (34 gr.)
Water hot tank capacity	0,06 Litres
Hot water temperature	80 - 85°C
Heating capacity	1,20 l/min
Instant hot water volume	1,2 litres
Heating type	Heat exchange plates AISI 316
Heating power system	2,5 ~ 2,9 Kw
Booster pump	No
Weight	14,2 Kg
Presentation	Counter top
Treatment water system	1 Microcarbon Prefilter 1 UF Prefilter
